# An alpine adventure

Ski Europe's highest summer ski area beneath the Matterhorn, with slopes suited to both first-time skiers and those looking to improve their technique on perfectly prepared glacier runs.

While summer warms the valleys, high above Zermatt the glacier is at its best in the early hours. **From 9:00 to midday**, the slopes offer **three hours** of:

- ✓ High-altitude glacier skiing
- ✓ Beginner areas
- ✓ Snowpark
